

REMARKS

This is a full and timely response to the Final Office Action mailed June 16, 2005 and the Advisory Action mailed October 5, 2005. By this response, Applicant has amended claims 1, 35 and 69, and has cancelled claims 12, 16-17 and 72 without prejudice or disclaimer to eliminate duplicate language in dependent claims. Reconsideration in light of the above amendments and following remarks are courteously requested. Claims 1-7, 10-11, 13-15, 21-35, 39-40, 42-46, 48-54, 58-66, 69-71 and 73 (3 independent and 54 dependent claims) therefore remain pending in the application, with claims 1, 35 and 69 being independent claims. No new matter has been added, and no fee or extension of time is believed to be required by this Response other than the one month extension of time addressed in documents accompanying this Response. Should this Application require any additional fee or extension of time, however, please consider this as a petition for such extension and as authorization to debit Deposit Account No. 50-2091 for any fees as may be required to prevent abandonment of this application.

Applicant sincerely thanks Examiner Escalante for the courtesy extended during the telephonic conference with Applicant's counsel. The results of that discussion are incorporated in this Response, which is now believed to place the present claims in condition for allowance. In particular, Applicant has amended each of the independent claims to more fully describe the operation of the mail server that is located on board the vehicle.

If the Examiner has any questions, comments or suggestions that could place this application in even better form, the Examiner is requested to telephone the undersigned attorney at the below-listed number.

Respectfully submitted on behalf of assignee
